

# Lutheran High School of St. Charles County

*Equipping Students for Lives of Christian Service*

Dear Future Cougar Families,

Greetings to you from Lutheran High School! Lutheran High School offers its students tremendous opportunity for academic, personal, and spiritual growth in a Christ centered environment. At the heart of our mission is preparing students for lives of Christian service.

The purpose of this letter is to provide you with information regarding the iPad program requirements at Lutheran High. All students are required to supply their own iPad for their studies at LHS, and we recognize that the holiday season may be an opportune time for your family to make such a purchase. The specific requirements are outlined below:

- Each student will provide his/her own iPad. Other tablets, e-readers, Chromebooks, laptops, etc. are not acceptable for use at LHS.
- iPad Air 2 or newer generations, including the iPad Pro, are all acceptable versions of the iPad. Models with wifi only are recommended.
- The iPad Mini 4 is also an acceptable iPad to be used at LHS. However, most students prefer the larger screen of the normal iPad.
- An iPad with 32MB of memory or greater is highly recommended to accommodate both academic and personal use for four years. Students might find that 64MB is more appropriate to handle all of their personal and academic storage needs.

Technology orientation sessions will be held in summer 2017 for all new families entering LHS. These sessions will be used to issue school apps, explain policies and procedures, and answer general questions about iPad use at LHS. These sessions will be scheduled in late spring.

If the purchase of the iPad presents too large of a financial burden for your family, please contact the school office; we are willing and able to assist you.

In Christ,

Jon Bernhardt  
Principal

Dr. Craig Ernstmeyer  
*Head of School*

Jonathan Bernhardt  
*Principal*

Dr. Doug Kuhlmann
