

Lutheran High School

School Supply Lists

2016-2017

Booth

All Spanish classes: A stylus for “writing” by hand on the iPad; headphones for listening labs; a physical paper notebook dedicated entirely to Spanish-only (this may be an exclusive section in a multi-subject notebook, a 3-ring binder or the like); loose leaf paper, legal pad, or the like; a physical folder for handouts devoted exclusively to Spanish class (may be part of a 3-ring binder or other organizer); black and blue pens, pencils, erasers, etc.; a brightly colored pen with ink of a color other than black or blue (purple and/or green are preferred; no red or neon); at least one dry-erase marker in a traditional, easy to see color (no neon); extra markers for the classroom are much appreciated; hand sanitizer; a box of Kleenex or other facial tissue; Post-it/sticky notes

OPTIONAL: A student-level Spanish to English/English to Spanish dictionary or professional dictionary app is highly recommended. Dictionaries are also available for student use in the classroom and may be borrowed at any time with the instructor’s permission. Dictionary recommendations will be discussed within the first week of classes.

OPTIONAL for Spanish 1 and 2: Flash cards or index cards for vocabulary study. These may also be made by hand with regular white computer paper, although many students prefer the tangible cards since they are less transparent and easier to flip.

Brauer

Geometry: TI84 Calculator

Clark

Geometry: TI84 Calculator

Conkling

World History: spiral notebook with at least four subject divisions

German I: spiral notebook with at least four subject divisions, card stock cards or index cards to use as flash cards

Flandermeyer

All classes: Notebook paper, pen, pencil
