Good evening LHS Families,

Following Governor Parson's announcement this afternoon of in-person public school closure for the remainder of the school year, Lutheran High School will align with this order for the greater good of the community and remain in distance learning for the rest of the school year. In addition, the Missouri State High School Activities Association (MSHSAA) has also announced the cancellation of all remaining events for the 2019-20 school year.

This is a difficult time and we all still have many questions. We will be spending Easter break looking at and preparing to provide updates and additional information on plans and procedures for the coming days. Most importantly, we ask for your prayers during this challenging time.

This news certainly comes at an inconvenient time as we enter the most sacred days of the church year- Maundy Thursday, Good Friday and the celebration of our Lord's resurrection, Easter. Despite the timing, we rejoice together in the good news of the resurrection of our Savior, Jesus Christ. Soon we will be able to share, "*He is Risen! He is Risen Indeed!*".
