LHS Cougar Community,
Welcome to the 2023 LHS Auction!

Forty and Fabulous

Lutheran High has enjoyed forty years of academic excellence and spiritual growth! Over the past four decades over 2,000 LHS graduates have experienced a Christ-centered, well-rounded education. Both our campus and the programs we offer have grown exponentially thanks to your generosity and commitment to Christian education in St. Charles County. Our incredible teachers and staff have ministered to hundreds of current students looking for the best Lutheran education. THANK YOU!

Forty and Thankful

So many members of our Cougar community make this evening possible through their time, talent, and treasure! I'd like to thank all our donors for their generosity and for helping LHS move our ministry forward through their gifts. I'm grateful for our volunteers and auction committee, especially our co-chairs, Josh Kainady and Russ "I've-been-helping-with-this-auction-for-ten-years" Schindehette! I'd like to recognize our faculty, staff, and students for preparing for the auction and working our event tonight. And finally, please join me in sharing appreciation for our auctioneer Toney Thornhill and Joey Goone from Utopia Entertainment.

Forty and Blessed

Our heavenly Father continues to bless Lutheran High and, by His Grace, we can pursue our mission to **Grow + Serve } In Christ.**

I will give thanks to the Lord because of his righteousness; I will sing the praises of the name of the Lord Most High (Psalm 7:17).

Have a great evening!

In His Service,

Dr. Doug Kuhlmann

2023 LHS AUCTION – FUND THE FUTURE

If you are over the age of 40, it is likely that if you were asked what the "3 Rs" are, you would reply, "Readin', Ritin', and Rithmetic." In fact, if you Google "the 3 Rs of Education," you will discover multiple definitions in use today, plus a few historical references which state, "during the 17th century in the United States, the curriculum in the common (elementary) schools of the New England colonies was summed up as the 'four Rs' – Reading, 'Riting, Rithmetic, and Religion." **We strongly support the presence of that 4th 'R' in education!**

Today, as we look to fully capitalize on the opportunities and potential for the future of LHS, we also focus on the "3 Ps" – **People, Programs** and **Promise**.

- **People** . . . LHS is blessed with dedicated people of God at all levels; our past and present accomplishments are the direct result of outstanding teachers, Board members, volunteers, administrators, parents, members of Association congregations, alumni, and of course, students. To continue to maintain, engage, and attract the very best, we must continue to meet their needs.
- **Programs** . . . the people of LHS thrive in-and-through quality programs. In addition to the blessings of the campus expansion and remodeling, LHS has added or enhanced numerous programs in the past decade, including STEM/Robotics program, new athletic programs, new Clubs, expanded curriculum (including French, American Sign Language, engineering classes, Life Skills, etc.) To offer new and expanded tier-1 programs, we must continue to meet needs!
- **Promise** . . . the promise of LHS is summarized in Our Vision Statement: We envision utilizing God's blessings in partnership with our families, congregations, and community to be a dynamic leader in academic excellence and Christian service. We also offer the promise to our students each and every day – the Promise of New Life through faith in our Lord and Savior, Jesus Christ. The "4th R" that has largely been removed from many classrooms today, is **at the core of our promise** to the LHS community and beyond.

The Future is Now!
