

EXCITING CAMPAIGN MATERIALS AHEAD

We are thrilled to announce that our first group of campaign packets was mailed last week! In addition to a **personalized donor letter**, each packet includes a **Case Statement** which features:

- The vision and impact of the *Empowered by Christ: Enriching Our Future* campaign;
- An overview of the LHS mission;
- Student testimonials and success stories;
- Detailed giving opportunities that highlight how contributions will directly support our LHS students;
- Naming opportunities;
- A breakdown of the various ways to give.

These resources provide you with the information you need to understand the importance of this campaign and how your generosity will make a lasting difference in the lives of our students. In an effort to reach all of our supporters, we will continue to send packets through the middle of April.

Many of you will be contacted by an LHS volunteer to share the importance of the campaign for the future of LHS, to answer any questions you may have about the projects, and to encourage your support. Please be open to their outreach.

If you are not contacted by a volunteer and would like to speak to someone about the campaign, please email Butch Powley, Donor Relations Coordinator, at powley@lhssc.org to schedule a call or visit.
