

Lutheran High School of St Charles County

A+ Schools Program Agreement

I wish to participate in the A+ Schools Program

If state funds are available and our high school continues designation as an A+ School prior to my graduation, I may receive reimbursement for college expenses as determined by the Missouri General Assembly while attending a Missouri public community college or public vocational/technical school on a full-time basis. This reimbursement may be for the unpaid balance of the cost of tuition, general fees, and up to fifty percent (50%) of the book cost subject to legislative appropriation. This financial assistance is on the condition that I meet the following requirements:

1. Attend an A+ designated school for three (3) consecutive years immediately prior to graduation.
2. Graduate from high school with a grade point average of 2.5 or higher on a 4.0 scale (non-weighted GPA).
3. Have at least a 95% attendance record for the four-year period.
4. Meet the minimum math assessment score.
5. Graduate with fifty (50) documented hours of unpaid tutoring of students in approved settings (A documented job-shadow experience may substitute for 25% of these hours).
6. Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol.
7. Make a good faith effort to secure federal post-secondary student financial assistance funds during the senior year.
8. All males who reach their 18th birthday must register with the Selective Service.

To maintain eligibility after high school graduation, I understand that I must meet the following requirements:

1. Enroll and attend on a full-time basis a Missouri public community college or public vocational/technical school or other post-secondary institution approved by the Missouri General Assembly.
2. Maintain a grade point average of 2.5 or higher on a 4.0 scale.
3. Make a good faith effort to secure federal post-secondary student financial assistance each year.
