

Lutheran High School of St. Charles County

Equipping Students for Lives of Christian Service

Spring 2018

Dear Future Cougar Families,

Greetings to you from Lutheran High School! Lutheran High School offers its students tremendous opportunities for spiritual, academic, and personal growth in a Christ-centered environment. At the heart of our mission is preparing students for lives of Christian service.

The purpose of this letter is to provide you with information regarding the iPad program requirements at Lutheran High. All students are required to supply their own iPads for their studies at LHS. The specific requirements are outlined below:

- Each student will provide his/her own iPad. Other tablets, e-readers, Chromebooks, laptops, etc. are not acceptable for use at LHS.
- “The iPad” or the “iPad Pro” are both acceptable versions of the iPad. Models with wifi only are recommended.
- Students might find that 64MB is more appropriate to handle all of their personal and academic storage needs.

Technology orientation will occur for all new students and parents prior to the start of school. These sessions will be announced in early summer.

If the purchase of the iPad presents too large of a financial burden for your family, please contact Mrs. Sheryl Kluesner, Director of Technology, at kluesner@lhssc.org; we are willing and able to assist you.

In Christ,

Jon Bernhardt
Principal

Dr. Craig Ernstmeyer
Head of School

Jonathan Bernhardt
Principal

Dr. Doug Kuhlmann
Activities Director

William Roundey
Director of Student Services

Kathy Sperlo
Director of Events

Lisa Gnade
Director of Enrollment
