January 22, 2021

Dear Parent/Guardian:

Happy New Year! Although 2021 has just begun, we at Lutheran High are already looking forward to the **2021-2022** school year. We have been blessed and entrusted with our school to be a shining light. We take this responsibility and all the decisions that go with it very seriously, believing the cost of education is a shared responsibility between the school, the church and the families themselves.

Keeping this shared responsibility in mind, I would like to provide tuition information for the 2021-2022 school year. The **tuition rate in 2021-2022 will be \$10,780**. There is an Association Grant for members of our ten LCMS Association churches; after the grant the tuition rate is **\$9,405**. The verification for this grant is done on an annual basis as each church completes a roster of members in good standing. Please note these rates do not include enrollment in dual credit classes or our Learning Center program. These programs involve additional costs due to the unique nature of the programs.

A non-refundable **registration fee** of \$300 is due **March 1st** (\$350 after March 1st for returning students only). Returning families pay this fee **through their FACTs** enrollment (a FACTs invoice will be emailed by the middle of February).

Tuition Scholarships (Needs-based financial aid) must be applied for EACH YEAR. A tuition scholarship link (*Apply for Financial Aid*) is available online at <https://lutheranhighstcharles.com> under the Admissions tab. You are strongly encouraged to complete this application as soon as possible. The goal is for LHS to provide a timely, individual response after all paperwork has been submitted and verified through FACTs. If you have any questions regarding this or any other financial matter, please feel free to contact myself or Kelley Erhardt, our Controller, at school at 636-928-5100.

2021-2022 is right around the corner, we look forward to you being a part of it!

In His Service,

Dr. Craig Ernstmeyer
Head of School
