January 13, 2023

Dear Parent/Guardian:

Happy New Year! Although 2023 has just begun, we at Lutheran High are already looking forward to the **2023-2024** school year. We have been blessed and entrusted with our school to be a shining light. We take this responsibility and all the decisions that go with it very seriously, believing the cost of education is a shared responsibility between the school, the church and the families themselves.

Keeping this shared responsibility in mind, the **tuition rate in 2023-2024 will be \$11,429**. There is an Association Grant for members of our LCMS Association churches; after the grant the tuition rate is **\$10,054**. The verification for this grant is done annually as each church completes a roster of members in good standing. Please note these rates do not include enrollment in dual credit classes or our Learning Center program. These programs involve additional costs due to their unique nature.

We will continue the practice we began last year where **current students** going into grades 10 - 12 **will be automatically re-enrolled**. This means that you do not need to do anything in PowerSchool to re-enroll your child for next school year. We ask that if you do not intend to return to LHS for the 2023-2024 school year, please notify Julie Schmidt in the main office by **February 10, 2023**. The \$300 non-refundable registration fee will be billed to your account on **March 1, 2023**. Returning families pay this fee **through their FACTs** account (a FACTs invoice will be emailed by February 17).

**Tuition Scholarships (Needs-based financial aid) must be applied for EACH YEAR.** A tuition scholarship link (*Apply for Financial Aid*) is available online at <https://lutheranhighstcharles.com> under the Admissions tab. You are strongly encouraged to complete this application as soon as possible. The goal is for LHS to provide a timely, individual response after all paperwork has been submitted and verified through FACTs. New this year is **the MO Scholars scholarship program**. If interested, you can find more information at <http://mo.lcms.org/mo-scholars>. If you have any questions regarding this or any other financial matter, please feel free to contact myself or Kelley Erhardt, our Controller, at 636-928-5100.

2023-2024 is right around the corner, we look forward to you being a part of it!

In His Service,

Dr. Craig Ernstmeyer  
Head of School
