2024 LHS GALA – FUND THE FUTURE

At Lutheran High School, we believe that every individual has the potential to achieve great things, and with the right support, we can help unlock that potential. At LHS, we prepare our students to let their light shine now and in the future. However, we cannot do it alone. We need partners like you who are committed to making a difference. That is why we are asking for your support in our "Fund the Future" initiative. The impact of your donation will be felt for years to come, as it will equip our students with the tools and knowledge they need to succeed in their academic and professional pursuits. By joining us in this effort, you will be investing in the future leaders, innovators, and change-makers of tomorrow. Your support not only changes lives but also strengthens the foundation of our entire community. No gift is too small, and every dollar will make a difference. Thank you for considering this opportunity to "Fund the Future."
