

# LUTHERAN HIGH SCHOOL *Campaign News*

JANUARY 30, 2025

*Every capital campaign needs volunteers to help things run smoothly. At LHS, we are fortunate to have members of our community who are willing to step up and do the work for our Empowered By Christ: Enriching Our Future capital campaign.*

Our volunteers support our campaign in so many ways.

- **They provide a workforce:** Our volunteers provide the people power needed to run a campaign.
- **They bring diverse skills:** Our volunteers share their skills from a variety of experiences.
- **They minimize costs:** Our volunteers help to minimize costs by donating their time and talent.
- **They enrich our sense of community:** Our volunteers bring their sense of shared purpose and vision for the future of Lutheran High School.

They are role models to our students: Our volunteers are living examples of our school mission "To Grow and Serve in Christ."

Thank you to the alumni, parents, grandparents, future parents, faculty, staff and members of our Board of Directors who have accepted Dr. Kuhlman's invitation to serve as volunteers for the campaign. A Campaign Cabinet comprised of approximately 20 individuals and couples will provide counsel and lead support for the effort. Additional committees will help plan campaign events, lead our community in prayer, and find ways to reach out to alums.

If you would like to learn how you can volunteer with the *Empowered by Christ: Enriching Our Future* capital campaign, please contact Mr. Butch Powley, Donor Relations Coordinator at [powley@lhssc.org](mailto:powley@lhssc.org) or Dr. Doug Kuhlmann, Head of School at [dkuhlmann@lhssc.org](mailto:dkuhlmann@lhssc.org).
