LUTHERAN HIGH SCHOOL *Campaign News*

As we prepare to launch the Empowered By Christ: Enriching Our Future Capital Campaign, faculty and staff are busy creating communication materials and planning informational events. All of this is taking place during the Preparation Phase, which will last through the end of February.

In early March, we will begin the Active Phase of the campaign by mailing the campaign case statement to all those in the LHS community. This is a booklet that includes information about the positive impact on the lives of our students through the campaign projects, which include a catering kitchen, science classroom renovations, Commons (worship space/theatre) renovations, and other projects.

Throughout the Spring, everyone will be invited to a campaign event. These events will be an opportunity to understand and celebrate the campaign projects within the context of our school mission to "Grow and Serve in Christ."

We believe that Christ empowers our work on behalf of our students, and we are excited to share updates about our campaign progress. Be sure to check back each week to learn more about our goal to enrich the future of Lutheran High School and our students.
