# LUTHERAN HIGH SCHOOL *Campaign News*

FEBRUARY 23, 2025

## CAMPAIGN PROJECT: *Renovate the Commons*

*The Commons is the heart of Lutheran High School. It serves our community as a worship space, lunchroom, theater, performance venue, after-school study hall, dance and cheer practice area, and many other school functions and activities.*

At Lutheran High School, our mission is to "Grow and Serve in Christ." As part of that commitment, we seek to enhance the Commons, a space that was transformed from a gym to a multi-purpose area during the 2018 Reach Campaign. While it continues to serve many needs, recent feedback has highlighted the importance of further renovations to create a more inviting environment for worship, performances and gatherings. Planned upgrades – including increased stage space and improved lighting, sound and operational enhancements – will enrich daily chapel service services, allowing students to grow spiritually in a space designed for worship and reflection. These improvements will also support community events, as well as student performances in theatre and music, ensuring the Commons becomes a vibrant hub where faith and fellowship thrive. Through this renovation, we remain dedicated to equipping students to live out their faith and serve others in Christ's name.

We deeply value your support, and while we are not asking for campaign contributions at this time, detailed information will be sent to each household during March and April.
