LUTHERAN HIGH SCHOOL *Campaign News*

MARCH 2, 2025

CAMPAIGN PROJECT: *Build a Multipurpose Facility*

On any given day, hundreds of LHS students arrive before the start of school or remain in the late afternoon to participate in one of the many clubs, sports and extracurricular activities offered by our faculty and staff.

They come to design and build robots, to learn new dance and cheer routines, to memorize their lines for a theatrical performance, to practice a musical instrument, to train with their volleyball or wrestling team...the list is extensive! LHS now provides 25 clubs and activities and 23 athletic programs for its young men and women as they "Grow and Serve in Christ."

With our current facilities stretched to capacity, the new multipurpose center will provide additional practice areas, which will minimize scheduling conflicts and support students with the resources they need to thrive. This spacious, secure, and comfortable building will also offer flexible space for programs and school activities. Space for shooting hoops or hitting volleyballs, turf for running, practicing for robotics, mats for wrestling or cheer...the possibilities are endless!

We deeply value your support, and while we are not asking for campaign contributions at this time, detailed information will be sent to each household during March and April.
