# LUTHERAN HIGH SCHOOL *Campaign News*

APRIL 19, 2025

*Grow + Serve in Christ*

## ENRICHED BY OUR FAITH COMMUNITY

Lutheran High School is blessed by the support of former and present parents, alumni, faculty and staff, and members of the association congregations. The *Empowered by Christ: Enriching Our Future* campaign could not be successful without the contributions and expertise of so many in our community.

**Tim Masa**, Co-founder and President of Cooperative Building Solutions and LHS parent, has provided valuable consulting assistance to school leaders throughout the planning process. **Carl Drafall**, Co-founder of Mission Architects and LHS alum, is one of the architects, along with partner, Will Schenck, for our building designs and renovations. **Nate Droste**, Co-President of Droste Construction and LHS alum, will provide the actual work itself. We are confident that all those working on the campaign will help us to provide an outstanding learning environment for our students now and for many years to come.

**THANK YOU** to these individuals, and to all those who support LHS through your time, talent, and treasure and in helping us drive forward our mission to Grow and Serve in Christ!

*(\*All non-volunteer campaign consultants and contractors were selected through a fair bidding process.)*
