Grow + Serve in Christ

CAMPAIGN PROJECTS TIMELINE

As of this week, our *Empowered by Christ: Enriching Our Future* Capital Campaign information packets have been mailed to school families, grandparents, alumni, and friends of Lutheran High School. This exciting next step allows us to share the vision and heart of the campaign with our entire Cougar community. Inside each packet, you'll find details about how this campaign supports our mission to **Grow and Serve in Christ** by investing in the students of today and tomorrow. We encourage you to read through the materials and prayerfully consider a gift to support our students. Your participation—no matter the size of the gift—makes a meaningful difference in advancing the LHS ministry. Thank you for being a part of this journey with us!

While our pledge cards do not list a specific due date, we are encouraging all supporters to return their pledge cards by **mid-May** so we can keep moving forward with confidence and enthusiasm. We are excited to bring to life the first tier of our *Empowered by Christ: Enriching Our Future* campaign—which includes a brand-new catering kitchen for a healthy lunch program, enhancements to the Commons for worship and performing arts, and much-needed classroom and science lab renovations. These improvements will have an immediate and lasting impact on the spiritual, academic, and social growth of our students. To keep us on track for a summer timeline with Droste Construction and be ready for the fall, we are preparing to present pledges to our Board of Directors for project approval. Your prayerful consideration and generosity help ensure that we can begin as soon as this school year concludes and make these exciting updates a reality for our students. Thank you for being part of this meaningful effort to Grow and Serve in Christ through Lutheran High School!

To ensure your pledge has the greatest impact, we encourage you to **return your pledge card no later than May 15**. You may choose your preferred method of payment, how often you will make payments, and indicate when you will make your first payment. Our current pledge total is \$1.24 million. Now is the time to be part of a transformative endeavor that will benefit the students of Lutheran High School for generations to come.

If your campaign packet hasn't arrived yet, we kindly ask for your patience—mail delivery has been slower than expected in some areas. To get materials immediately, please reach out to either Donor Relations Coordinator Butch Powley at powley@lhssc.org or (314) 368-2758, or Head of School Dr. Doug Kuhlmann at dkuhlmann@lhssc.org or (314) 497-3014. We'll make sure you receive a Case Statement and all the campaign materials as quickly as possible.
