Grow + Serve in Christ

This week's bulletin provides answers to some of the most frequently asked questions about the *Empowered By Christ: Enriching Our Future* Capital Campaign.

How much has the campaign raised so far?

As of Thursday May 5, we have raised over \$1.5 million in total pledges and one-time gifts. Tier 1 will cost approximately \$2 million to cover the Celebration Goal projects plus the bridge loan debt service. This means we are 75% of the way there to installing a catering kitchen, transforming the Commons, and upgrading our classrooms and science labs.

When is my pledge card due?

Thanks to the generosity of early campaign donors, the kitchen project has been approved by the LHS Board of Directors. Work is set to begin this month by Droste Construction. Our focus now turns to the Commons and classrooms. The Board will meet later this month to determine the best plan based on financial projections. ***You can help with the Board's decision by returning your pledge card to the school by May 15.*** Of course, we will continue to accept pledge cards after that as we work towards Tier 2, the Challenge Goal, which includes the Baseball/Softball field and the Multi-Purpose Building.

When is my first pledge payment due? How long do I have to pay my total pledge?

On your pledge card, you can indicate when you will make your first payment, based on what works best for your personal circumstances. We ask that you complete your pledge payments within 36 months of your initial payment. Please contact Dr. Doug Kuhlmann at dkuhlmann@lhssc.org or (314) 497-3014 for additional information or with questions.

TIER 1

Tier 1 includes Celebration Goal plus bridge loan debt service.
