

INVEST IN THE FUTURE OF LUTHERAN HIGH SCHOOL!

As of this week, we've raised \$1.7 million in pledges for the Empowered By Christ: Enriching Our Future Capital Campaign. Thanks to the generosity of so many supporters, we began our kitchen renovations this week in order to open our new food service in August 2025. For the first time in its history, LHS will be able to provide the students with freshly made lunches at school!

Within the next few weeks, the Board of Directors will decide on whether or not to move forward with the other projects of the Celebration Goal: transforming the Commons and modernizing nine classrooms and science labs. We need your help to make this possible!

Please join others in the LHS community who have already made an investment in the future of our students. Every gift, no matter the size, makes a difference. Pledge today by completing the online form or returning the pledge card you recently received in the mail. Or, [click here](#) to open the online pledge form.

Thank you for being part of this mission and for helping us Grow and Serve in Christ!
