Grow + Serve in Christ

INVEST IN THE FUTURE OF LUTHERAN HIGH SCHOOL!

We are in the home stretch of achieving our *Tier 1: Celebration Goal*! Droste Construction has already begun renovations on the storage area to install the catering kitchen. At the same time, Architect Carl Drafall is finalizing plans for the classroom upgrades and Commons transformation. With your support, we can soon begin these projects to improve these learning, worship and performance spaces for our students.

But we won't stop there. *The Tier 2: Challenge Goal* includes improvements to the baseball/softball field, including dugouts, a new backstop, a "Blue Monster" outfield fence and a modern press box; and building a multipurpose center to expand our indoor practice areas for extra-curricular programs. This new building will also provide flexible space for school programs and events.

Please join others in the LHS community who have already made an investment in the future of our students. Every gift, no matter the size, makes a difference. Pledge today by completing the online form or returning the pledge card you recently received in the mail. Or, [click here](#) to open the online pledge form.

Questions: Contact Dr. Doug Kuhlmann, Head of School at (314) 497-3014 or dkuhlmann@lhssc.org.

***Thank you for being part of this mission and for helping us
Grow and Serve in Christ!***
