Grow + Serve in Christ

NAMING OPPORTUNITIES

As you prayerfully consider your gift to the *Empowered By Christ: Enriching Our Future* Capital Campaign, we invite you to see how your generosity can help expand the ministry of Lutheran High School and strengthen our mission to Grow and Serve in Christ. Through your support, you have the opportunity to make a lasting impact by investing in spaces that enhance worship, learning, and fellowship within our community. Naming opportunities are available for many of the projects listed in the back of our campaign case booklet. Whether you feel called to support worship and performing arts in our Commons, advance academic excellence and student growth through classroom enhancements, or strengthen our athletic facilities with new fields and a multi-purpose space, your gift will directly bless our students and families. Each naming opportunity includes a personalized plaque, allowing you to celebrate a legacy of faith and service or honor a loved one. Your support is more than just a gift—it is an investment in the lives of our students, equipping them to lead and serve Christ.

We welcome two or more members of a family to combine their pledges in support of a single naming opportunity. For example, several siblings could pool resources to sponsor a Science Lab at \$150,000 in honor of their parents.

Currently, fifteen families have selected a naming opportunity to celebrate their support for the future of LHS. Opportunities come at a wide variety of donations, from \$10K to \$2.5 million. If you are interested in sponsoring a campaign project, **please contact Head of School Dr. Doug Kuhlmann at dkuhlmann@lhssc.org or (314) 497-3014.**
