LUTHERAN HIGH SCHOOL Campaign News

JUNE 21, 2025

Grow + Serve in Christ

PROGRESS CONTINUES AT LUTHERAN HIGH SCHOOL!

As part of our Empowered by Christ: Enriching Our Future capital campaign, construction crews from Droste Construction have been hard at work on campus—and exciting changes continue. This past week, demolition began in several classrooms, planning continued for A/V and lighting integration in the upgraded Commons, and the kitchen walls are taking shape.

We're also excited to welcome CertaPro Painters, who have begun transforming our classrooms, hallways, and the Commons with fresh coats of paint. These upgrades are more than just visual—they reflect a growing, energized school community ready for what's next!

And the momentum doesn't stop there...we've now received \$65,000 in new pledges toward our \$100,000 matching gift challenge—continuing to launch LHS into the next phase of our vision! With Tier I construction underway, we've turned our attention to fundraising for the *next two tiers of the campaign*:

- **Baseball/Softball Complex Improvements**
- **Multi-Purpose Center Design and Prep Work**
- **Parking Lot Repaving**

At every stage, our work is grounded in our mission to Grow and Serve in Christ, led by our **Core Values**:

- **Servant Leadership**
- **Authentic Relationships**
- **Building Character & Purpose**
- **Spiritual & Academic Growth**

If you would like to learn more, make a pledge, or take part in this transformative effort, please contact: Dr. Doug Kuhlmann, Head of School at dkuhlmann@lhssc.org or (314) 497-3014.

Together, we are building a future rooted in Christ and designed to serve generations of students to come.
